

SUCCESSFULLY PROMOTE SUSTAINABLE INVESTMENTS

ESG RATINGS

With theScreener ESG you gain direct access to sustainability assessments of around 3'000 companies by the leading Swiss ESG rating agency Inrate. Fully integrated into theScreener CIO, this allows you to easily and effectively align your investment and advisory processes with sustainable investment needs and strategies. The ESG ratings are suitable for both best-in-class approaches and theme-based investments.

Similarly, theScreener ESG allows you to use the ratings as a handout in research reports, thus making sustainable investments a topic in your customer communication.

theScreener ESG for CIO – the effective way to realize sustainable investment approaches.

Highlights:

- High quality ESG data from the leading Swiss ESG rating agency Inrate
- Comprehensive evaluation according to environmental, social and governmental criteria
- Beyond traditional ESG analysis by measuring impacts
- Helps investors to redirect capital to sustainable business models
- Completely transparent and comparable through absolute and relative ratings
- Cost efficient add-on for theScreener CIO
